A Little About Myself

Hello! I am your child's new teacher in the Keya room here at CWOO. Your child will get to know me as Miss Riah. I'm the mama of an 8-year old goofball named Marquese, a 4-year-old diva named Natalia and a little fireball of spunk named Joseph.

My Experience With Youth

I grew up in Morton and attended Redwood Valley High School. I participated in the Sunktanka 4-H group riding and showing horses and teaching youth about them throughout middle and high school and worked with youth and my peers at Dakota Wicohan as a mentor in the Wikoska young women leadership program. I have been growing with and working at CWOO for just over 3 years now. I have since obtained my Child Development Associate Credential and plan on furthering my education in Education!
