## Welcome

Han! I am so happy to be spending this school year teaching and learning with your baby. We will be introducing Dakota Iapi (language) to our wankayeza (children) in the Kimamana room. We will be sending Distance Learning packs home every 2 weeks and I hope you and your baby have fun learning with our activities we send home 😊

## Education

I have one-year experience as a paraprofessional at Reede Gray Elementary. I have been apart of C.W.O.O staff for almost one year. I am currently working on my CDA/Child Development Associate Credential in Education. My personal background with children goes all the way back to when I became a Big Sister and an Auntie to all my nieces and nephews. I have always had a passion for childhood education, and I am excited to have you and your baby be a part of my experience.

## About me

I was hired @ C.W.O.O as a substitute float in December 2019 so I was able to spend a little time in each of the classrooms. I had fun in all classrooms, but I quickly fell in love with the Kimamana room. When I was able to pick what class I wanted to help I always chose the baby room 😊 I am an enrolled member of the Lower Sioux Indian Community. I live in Redwood Falls with my three boys Owen, Jaxson and Bubba. On the weekends we love to pack up our bags and drive to the cities to spend time with our family. Otherwise we absolutely love to stay home together, watch the Vikings or just relax @ our home.

## My favorites

- Owen, Jaxson and Bubba
  - My family
  - Being an Aunti
  - Coffee and Ice water
- Mashed potatoes and gravy
  - Breakfast food
- Kitties are my fav animal
- Yellow is my fav color
- Cutting and Styling hair (I also have my cosmetology license)
- Art, I love anything crafty and I love creating fun things for our babies to learn with.
